3 Light Semi-Flush

Inspired by the cosmos, thin, elliptical arms intertwine creating a modern, asymmetrical design. Like rings of a planet, the arms encircle the spherical distributors. Offered in two contrasting finishes, these contemporary pendants are refined, yet simple. The Chrome finish is distinctly modern, but the Etruscan Bronze finish allows the fixtures to fit nicely into more transitional settings. The low-profile design allows the fixtures to be used in rooms with 8' and 9' ceilings.
